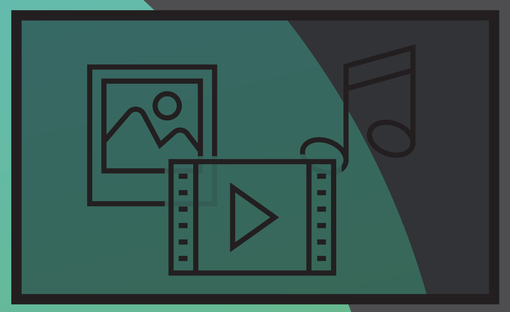
QNAP

Enrich your life with an all-in-one multimedia center



QNAP STREAMING APPS BRING YOU GREATER MULTIMEDIA ENJOYMENT

QNAP provides a wide range of multimedia streaming applications for you to stream NAS media files to computers, TVs, mobile devices and speakers.

ENJOY AN AMAZING MULTIMEDIA EXPERIENCE

4K media playback and online transcoding; multimedia viewing on HDTV via HDMI and use the HD Station app to browse through all your multimedia files.

SNAPSHOT SUPPORT FOR HIGHER NAS DATA PROTECTION

Snapshots fully record the system status and data, allowing you to protect multimedia files from accidental deletion and malware attacks.
