

Ideal for homes and startups

# TS-x31P3 Series

Powerful 2.5GbE NAS with feature-rich applications

## Upgrade to 2.5GbE Networking

The TS-x31P3 Series comes with a 2.5GbE port to accelerate file sharing, backup tasks, virtualization, and everyday tasks.

## Combined backup & recovery solutions with HBS

Use HBS to back up/sync NAS files to remote or cloud storage space for reliable data backup and restoration.

## Protect data against malware with Snapshots

The TS-x31P3 Series supports block-based snapshots to help users protect against accidental data loss and malware attacks.

## Enjoy lightweight virtualization with Container Station

Supports LXC and Docker® containers for rapidly deploying application services across multiple platforms - including the cloud, servers, and PCs.
