

Ideal for Homes and Small Offices

# TS-451D2

Powerful dual-core NAS with feature-rich applications

## Combined backup & recovery solutions with HBS

Use HBS to back up/sync NAS files to remote or cloud storage space for reliable data backup and restoration.

## Protect data against malware with Snapshots

The TS-451D2 supports block-based Snapshots that can help users recover data from accidental modification or malware attacks.

## Powerful transcoding and 4K HDMI output

The TS-451D2 can be used as an all-in-one multimedia hub, supporting direct 4K playback with its HDMI 2.0 output, real-time transcoding, and a range of streaming apps.

## Seamless integration with cloud data with cloud gateway

Cloud storage gateways leverage cloud services to realize hybrid cloud infrastructure and to ensure low-latency access to cloud storage.
