

QNAP

Extraordinary Golden Private Cloud

TVS-873

Powerful 10GbE ready NAS for Office & Home

TVS-x73 Turbo NAS Series

Secure and centralized storage, backup and sharing

Centrally store, backup, share, and restore files while securing them with AES 256-bit volume-based data encryption for ensured data privacy.

Virtualization with Full Virtual Machines and Lightweight Containers

Use a hybrid approach to virtualization with Virtualization Station and easily support multiple virtual machines, and further use Container Station to deploy LXC, and Docker® containerized instances.

Powerful transcoding and 4K HDMI output

The TVS-x73 Series supports 4K UHD output and 4K H.264 video transcoding for a high-quality audiovisual experience.

Captivating Multimedia Experience

Consolidate your media libraries and easily stream content via DLNA/AirPlay/Chromecast to Smart TVs and media players.
