

Designed for outdoor media editing environments

TVS-1582TU Thunderbolt 3 NAS

Multimedia editing storage solution with Thunderbolt™ 3 connectivity

TVS-1582TU

Ultra-high transmission speeds

The TVS-1582TU features Thunderbolt 3 connectivity and dual 10GbE ports to deliver incredible transmission speeds for real-time 4K video transfer and online editing.

Four Thunderbolt™ 3 ports for maximum connectivity

The four built-in Thunderbolt™ 3 ports empower cross-platform file sharing while providing greater connectivity for multiple Mac® and Windows® devices.

Access 10GbE networks over Thunderbolt with Thunderbolt-to-Ethernet (T2E)

T2E technology allows Thunderbolt-enabled devices to access 10GbE network resources via Thunderbolt without needing adapters or converters.

Qtier Technology for optimal storage efficiency

Qtier optimizes the performance and utilization of storage by automatically moving files and data to faster drives based on access frequency.
