

QSW-2104-2T

6 port unmanaged switch with
10GbE and 2.5GbE connectivity

- 10GbE ports: 2x 10GbE RJ45
- Other network ports: 5x 2.5GbE RJ45
- Fanless design
- No configuration and easy to use:
Unmanaged switch and auto-detect loops.

The QNAP logo is displayed in white, bold, sans-serif capital letters. To the right of the logo, there are three horizontal teal-colored bars of varying lengths, stacked vertically. The background of the slide features a dark blue and black checkerboard pattern on the left, transitioning into a solid dark blue area on the right, with a large, stylized orange and red circular graphic element in the center.
