QNAP

NVMe / SATA All-Flash QuTS hero ZFS NAS

TS-h1290FX

Ideal for collaborative 4K/8K video editing, and file sharing

AMD EPYC

reddot winner 2022

Empower high-speed data transfer with two 25GbE ports

Accelerate your virtualization, intensive file access, and large backup/restoration tasks with two built-in 25GbE SFP28 ports and two 2.5GbE RJ45 ports.

PCIe expansion to extend NAS functionality

Install network cards, graphics cards, and other PCIe Gen4 cards to boost application performance and system functionality.

An all-flash storage array for optimal I/O and low latency

Twelve U.2 NVMe PCIe Gen 4 x 4/SATA 6Gb/s SSD slots help attain optimized performance and low latency.

Optimized SSD performance and lifespan

Inline data deduplication and compression, Pool Over-provisioning, and TRIM maximize SSD performance and lifespan.
