

HS-264

Silent and lightweight home NAS
for multimedia playback

The QNAP logo is displayed in white, bold, sans-serif capital letters. To the right of the logo, there are three horizontal teal bars of varying lengths, stacked vertically. The background of the slide features a dark purple and blue gradient with a checkered pattern on the left and a large orange and red circular graphic on the right.

- Intel® Celeron® N5105 quad-core processor, burst up to 2.9 GHz, 8 GB DDR4 RAM and 2 x 3.5-inch/2.5-inch SATA 6Gbps drive bays.
- Get up to 5 Gbps via port trunking two 2.5GbE ports to supercharge your media streaming and file sharing.
- Dual HDMI 2.0 output for direct 4K HD media playback. Supports 4K media streaming and transcoding.
- The fanless, low vibration design keeps the HS-264 cool and quiet while also preventing dust buildup.
- Protect your files and data from accidental deletion and malware attacks using QNAP's storage snapshot solution.
