

QSW-1108-8T

8 port 2.5GbE unmanaged switch

- 2.5GbE ports: 8x 2.5GbE RJ45
- Fanless design
- No configuration and easy to use: Unmanaged switch and auto-detect loops.

The QNAP logo is displayed in white, bold, sans-serif capital letters. To the right of the logo is a vertical stack of four horizontal bars with a blue-to-white gradient. The background of the slide features a dark blue and purple gradient with a checkered pattern on the left and a large orange and red circular graphic on the right.
