

TBS-464-8G

Compact, portable, versatile: Quad-core
4-bay M.2 NVMe SSD NASbook

The QNAP logo is displayed in white, bold, sans-serif capital letters. To the right of the logo, there are three horizontal teal bars of varying lengths, stacked vertically, and a small orange circle with a white dot in the center, all set against a background of a black and white checkerboard pattern and a purple-to-blue gradient.

- Both 2.5GbE ports are backwards compatible with 1GbE/ 100MbE/ 10MbE speeds. Up to 5 Gbps transfer speeds can be achieved by using port trunking.
- Use up to four M.2 PCIe NVMe SSDs (sold separately) for ultimate storage performance.
- Two USB 3.2 Gen 1 ports for faster data transfer.
- Up to two HDMI 2.0 ports support 4K @60Hz output. Real-time transcoding is also supported, and the built-in IR receiver can be used by the RM-IR004 remote control for a more convenient NAS experience.
- Supports HybridMount cloud storage gateways for low-latency access to cloud data.
