

**QNAP**

Smart storage and collaboration solution

# TS-233

Personal cloud & multimedia  
center with a built-in NPU

## Build a vast high-resolution multimedia library

Centrally store your high-resolution photos, music, and videos files; easily browse, organize, and share multimedia files across all your devices.

## Enjoy an amazing multimedia experience

Supports ARM NEON technology to accelerate video processing for a greater entertainment experience.

## Boost AI-powered face recognition with built-in NPU

With a built-in NPU (Neural Processing Unit) processor, the TS-233 boosts performance for high-speed face and object recognition.

## Connect to NAS easily and securely with myQNAPcloud

myQNAPcloud allows you to easily access, manage, and share NAS files via the Internet.
