QDA-UMP4

U.2 NVMe to M.2 NVMe PCIe Gen 4 Adapter

- Enables using M.2 2280 NVMe SSDs as alternatives to U.2 NVMe SSDs

- Up to PCIe 4.0 x4 transfer speeds (backwards compatible with PCIe 3.0)

- Supports using with QNAP NAS, Windows/Linux PC and workstation

- Designed with aluminum-alloy metal frame and includes thermal pads to ensure better heat dissipation
