TS-664-8G

Intel Quad-core dual-port 2.5GbE NAS
supporting M.2 SSD caching
and PCIe expandability

- Intel® Celeron® N5095 quad-core processor (burst up to 2.9 GHz)

- 2 x 2.5GbE ports with Port Trunking and a PCIe slot for expanding 10GbE connectivity

- 2 x M.2 PCIe NVMe slots for SSD caching or Edge TPU for AI image recognition

- 2 x USB 3.2 Gen 2 (10Gbps) ports allow faster backup to/from USB devices.

- HDMI 2.0 output and real-time video transcoding.
