

Overcome network bottlenecks with affordable 10Gb Ethernet switches!

High-speed 10GbE networks are no longer exclusive to large enterprises. Now everyone can enjoy optimum performance and efficiency in network applications.

- 10G Multi-Gigabit connectivity
- Flexible bandwidth and packet control
- Half-width design, two models in 1U
- User-friendly management interface

QSW-M3216R-8S8T

- 16-port, L2 Managed Switch
- 8x 10GbE RJ45 ports
- 8x 10GbE SFP+ fiber ports

QSW-M3212R-8S4T

- 12-port, L2 Managed Switch
- 4x 10GbE RJ45 ports
- 8x 10GbE SFP+ fiber ports

QSW-3216R-8S8T

- 16-port Unmanaged Switch
- 8x 10GbE RJ45 ports
- 8x 10GbE SFP+ fiber ports
