

QNAP

Powerful business-class NAS

## QNAP TVS-x73e Series

Designed for high expandability and versatile applications

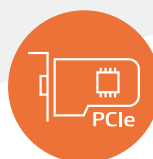

#### Absolute performance with AMD R-Series APU and Radeon™ R7 GPU

The TVS-x73e Series is powered by an AMD R-Series APU and Radeon™ R7 GPU, delivering excellent 4K video processing for an optimum audiovisual experience.

#### Optimize your storage efficiency with Qtier and SSD caching

Use Qtier Technology and SSD caching to optimize NAS performance, accelerate data access, and improve all-round system efficiency.

#### PCIe expandability for 10GbE support and more

The TVS-x73e Series provides 2 PCIe expansion slots to install 10GbE adapters, QM2 cards, USB 3.1 10Gbps cards, or wireless network cards.

#### All-in-one server to host virtual machines and containers

Use Virtualization Station and Container Station to consolidate existing IT infrastructure and to extend the potential applications of your NAS.
