

QNAP

Intel® Dual-core NAS

TS-251D

Designed for Home and multimedia applications.

**PCIe expandability for 10GbE support and more**

The PCIe port supports installing a 10GbE/5GbE/2.5GbE/ network expansion card, a QM2 card, a USB 3.1 Gen 2 (10Gbps) card, or a wireless network card.

**Enjoy an amazing multimedia experience**

The TS-251D provides 4K media playback over HDMI and multi-device streaming – including online transcoding.

**Multiple ways to enjoy your multimedia**

QNAP provides a wide range of multimedia applications. You can also simplify media management by using the Multimedia Console.

**Snapshots for higher NAS data protection**

The TS-251D supports block-based snapshots to ensure important data is protected from data loss and potential malware attacks.
