

Intelligent & stylish NAS

# TS-230

Your ideal home file center and multimedia hub

## Snapshots for higher NAS data protection

The TS-230 is an entry-level NAS with business-class snapshot protection, allowing you to protect your files and data from accidental deletion and malware attacks.

## Enjoy an amazing multimedia experience

The TS-230 features H.264 hardware decoding, and real-time transcoding provides high-quality audiovisual experiences on any device.

## Combined backup & recovery solutions with HBS

Use HBS to back up or sync NAS files to remote or cloud storage space for reliable data backup and restoration.

## Securely connect to your NAS with myQNAPcloud

The myQNAPcloud service allows you to easily access, manage, and share NAS files via the Internet.
